Hey pretty woman are you willin', don't tell me no  
I gonna take you to the place  
Where the good time people go  
It's a whole lotta fun there  
Or we could fly just somewhere  
Don't give me riddles, let me know

True, i might be wicked  
No i won't tell no lie  
Wanna live a life that's burning ?  
It's easy if you try

Dirty weekend  
To help a little soul in need  
Dirty weekend come along  
This is just an offer you can't refuse  
The time is running out  
If you're looking for a  
Dirty weekend  
I'm the one

Your perfect body and my sense for company  
We're made one for another  
Like gold and luxury...mhh  
Can't you feel the hunger  
Like a magic spell we're under  
Baby, you got the coffer i got the key

So gimme all or nothing  
No, you won't see me cry  
Wanna live a life that's burning ?  
It's easy if you try

Dirty weekend  
To help a little soul in need  
Dirty weekend come along  
This is just an offer you can't refuse  
The time is running out  
If you're looking for a  
Dirty weekend  
I'm the one
