You Came Into My Life,...Boy
I Didn't Find The Words To Let You Know
We Were Like Strangers , Heaven Knows
With A Many Ways To Go

But It's Over Now, Right Before We Started
It's All Over Now , It's Weather Blown Away

No , You Don't Need No Sacrifice
Nor Hide The Risin' Sun
Made A Million, Got It All
Father , Is That Enough ?

Remember I Was Lonely
I Was Nowhere
Couldn't Stand The Pain I Wore
And Yeah , I Keep Learning
Live Is Livin'
So Much More Than Words Can Say

But It's Over Now , No Gambling With My Soul
It's All Over Now , I Found My Way To Go
