Time to call another girl in town, time to take all of your
pictures down
It's time to let them know, I'm still around
Wish I had the words to say it right , the show is over
Let's just say goodnight, and all the feelings that were
locked inside
Are free
Cause it's the
First time in a long time, I'm here on my own
And I'm finding reasons , to carry on strong
There's no easy way to leave it all behind
Cause it's the
First time in a long time
I'll be all right
I might just take a ride on the open sea, a million miles
from where I used to be
With every step I take, I do believe ..oh
I see my whole world from the inside out, one more
reason not to cry out loud
A new beginning and I'll find my way somehow
Now it's the
First time in a long time, I'm here on my own
And I'm finding reasons , to carry on strong
There's no easy way to leave it all behind
Cause it's the
First time in a long time
I'll be all right
B part:
I could tell you my story, bout the hell I've been
through, oh yeah
I've been praying for the answers, a nd all that really
matters
Is coming out of the blue
Cause it's the
First time in a long time, I'm here on my own
And I'm finding reasons , to carry on strong
There's no easy way to leave it all behind
Cause it's the
First time in a long time
It's the , first time in a long time
It's the , first time in a long time

But I'll be all right, I'll be all right
Time to call another girl in town
