Sister Moon , Come Lead Me Down
To Rest My Weary Head
I Walked A Million Miles Along
The Road Of No Regret

I've Been A Fool , Messed Around...
A Lock Without A Key
I'm Waiting For The Morning Sun
To Make It Shine On Me

So Long , Lonely Days
Take Me Back Where I Belong
All Gone , It's All Behind
Hope You Don't Mind , Hope You Don't Mind
Hope You Don't Mind

Too Many Times I Lost The Grip
Was Worn Out On The Floor
Fallen Angel , Don't Loose Your Wings
Cuz' You'll Never Fly No More
