Obon yori mo shougatsu yori mo
Taisetsu na hi ga koko ni wa aru
Sarashi maite happi wo haori
Tabi wo hakeba taiko ga yonderu
Ki wo yuruseba ookega mo suru
Otoko mo onna mo kodomo demo
Koron datte hikizuraretemo
Tsunahanasu na shinitakunakereba

Sora ga matsuri ya inochigake de
Moetsukiru made hashiri maware

Urareta kenka wa takaku kae
Giri to ninjou wa wasureru na
Ame wa futtemo kaze ga fuitemo
Koe karetemo inochi wa karasu na

Sore ga matsuri ya inochigake de
Moetsukiru made sakebi makure

Obon yori mo shougatsu yori mo
Taisetsu na hi ga koko ni wa aru
Sarashi maite happi wo haori
Tabi wo hakeba taiko ga yonderu

Sore ga matsuri ya inochigake de
Moetsukiru made hashiri maware
Sore ga matsuri ya inochigake de
Moetsukiru made sakebi makure
