Hey pretty woman are you willin', don't tell me no
I gonna take you to the place
Where the good time people go
It's a whole lotta fun there
Or we could fly just somewhere
Don't give me riddles, let me know

True, i might be wicked
No i won't tell no lie
Wanna live a life that's burning ?
It's easy if you try

Dirty weekend
To help a little soul in need
Dirty weekend come along
This is just an offer you can't refuse
The time is running out
If you're looking for a
Dirty weekend
I'm the one

Your perfect body and my sense for company
We're made one for another
Like gold and luxury...mhh

Can't you feel the hunger
Like a magic spell we're under
Baby, you got the coffer i got the key

So gimme all or nothing
No, you won't see me cry
Wanna live a life that's burning ?
It's easy if you try

Dirty weekend
To help a little soul in need
Dirty weekend come along
This is just an offer you can't refuse
The time is running out
If you're looking for a
Dirty weekend
I'm the one
