Yeah, once again I start to wonder
Sailing thoughts on endless sea
Might be you I see reflected from afar
Could be just my fantasy

All my love and emotion
Life is nothing without you
Like a drop finds the ocean
I'm gonna find my way to you

Low thunder rollin'
Take me away, away
There's something callin'
Askin' me to play

Firedance, it's a firedance
Firedance, just a firedance
Oh yeah

I'm the wind against the mountains
I'm the fire deep inside
I feel the magic, the rhythm is my soul
I no longer have to hide

Join me now, come on over
There's a place right here for you
Seize the moment and discover
All the things you always knew

Low thunder rollin'
Take me away, away
There's something callin'
Askin' me to play

Oh, firedance, it's a firedance
Oh, firedance, just a firedance
Oh yeah, just a firedance

'Cause it's a firedance, it's a firedance
Oh, firedance, just a firedance
Firedance, it's a firedance
Firedance, just a firedance

Oh yeah, oh, it's a firedance
