Another change of season  
I'm on my own again  
It's hard to stay alive  
In the pouring rain

I don't wanna wash my hands  
In childish innocence  
Who's wrong and who is right?  
Are we running out of time?

I don't wanna say goodbye  
I don't wanna say goodbye

Many sins ain't been forgiven  
So many yet to come  
It doesn't feel the same no more  
And we'll never learn

Or we close our eyes  
Refuse to see  
Drawing into luxury  
Counting every dime  
While seventh heaven disappear

I don't wanna say goodbye  
I don't wanna say goodbye  
Don't wanna waste my life  
Don't wanna waste it now  
I don't wanna say goodbye, oh no  
No i don't want it  
I don't need it  
Everything is running round in circle  
It's confusion  
It's illusion  
And all i know, i'll never let it go  
Another change of season  
I'm on my own again  
It's hard to stay alive  
In the pouring rain

Answ. Chorus:

I don't want it, I don't need it, I believe it  
It's confusion, it's illusion, gonna beat it
