Take a jump into the sweetest marmalade
Flavors of which life is made
Realize , don't wanna deal no compromise
I'll leave my past, my dues are paid
I'm alive, and I feel so good
I'm alive, right now
Gonna rise,
'Cuz the best is jet to come
When I feel the heat is on and I'm on fire
That's when I come alive
I'm going to do the things I always wanted to
Look at me, I walk on air
I can fly and I don't even need no wings
Do it all , I'll take the dare
I'm alive, and I feel so good
I'm alive, right now
Gonna rise, 'Cuz the best is jet to come
When I feel my body tremble with desire
That's when I come alive
I'm alive, and I feel so good
I'm alive, right now
Gonna rise,
'Cuz the best is jet to come
When I feel the heat is on and I'm on fire
That's when I come alive
