Hello, My Friend, How's your life today?  
You don't wanna talk, but there's so much to say...

I won't TRUST YOUR EYES again  
'Cause I know they tell me lies

Hello, My Friend, How is your life today?

Hello, My Friend, Is not time to pray.  
Don't close your eyes  
There's a LIFE TO LIVE YOUR WAY.

I know how hard it is, don't you loose your faith.  
Come on, My Friend, Don't throw your life away!

I know you're waiting  
For an answer now  
(listen)

Hope you won't give up too soon, there's so much left  
to say...  
Still it's not too late to change your mind.  
Take a look into the mirror, better open up your eyes.  
And I hope this letter HELPS YOU find your way.  
Find your way!

Hello, My Friend, How ARE you today?  
I'm reading all your stories THEY'RE WRITTEN on your  
face!  
You've forgot your heart and what IT's got to say...

Hello, My Friend, How ARE you today?

Here's my letter NOW  
With a message from THE HEART.  
That's all my friend  
THAT's all I have to say!  
All I have to say!

Hello, My Friend, How's your life today?
