tell me that you love me  
tell me that you do  
tell me I'm the only one  
tell me that it's true  
tell me that you'll miss me  
tell me that you care  
tell me that you'll wait for me  
tell me you'll be there

'cause I'm fading out into white  
all I need is this love for a life  
and no matter how far, wherever you are  
tell me that you love  
I need it for my heart

tell me that you need me  
tell me that you're mine  
tell me that you want me  
tell me we'll be fine  
tell me I'm your only dream  
tell me I'm your life  
tell me you believe in me  
tell me with your pride

'cause I'm fading out into white  
all I need is this love for a life  
and no matter how far, wherever you are  
tell me that you need me  
I need it for my heart

tell me... tell me that you need me(x2)  
ooh  
tell me that you love me  
I need it for my heart

tell me that you love me  
tell me that you love me
