"The Call"

Don't call me up,
I won't answer this time
You've had your chances
And you blew them all, so fine.

No, I won't regret it
I won't take this note on me
I'll try, try to forget it
Yes I'm already on my way!

But higher they cry
The harder they crawl
I've been waiting for this moment to come
I've played all my cards
The stake was on you
Now they raise a single reason to stay
Wait for the call

You know I'm tough, I give up
I'm afraid that I could lose again
But hey, it's not an illusion
That's just a price I've got to pay

But higher they fly
The harder they fall
I've been waiting for this moment to come
I've played all my cards
The stake was on you
Now they raise a single reason to stay
And wait for your call

To wait for Your Call....no!

But higher they fly
The harder they fall
I've been waiting for this moment to come
I've played all my cards
The stake was on you
Now they raze a single reason to stay

But higher they fly
The harder they fall

I've been waiting...yeaah!

For you to take over!

And just filled your love just waiting for someone to
call...
