Who are you?  
Who are you in this masquerade?  
Is your love  
Just a part of a scene that you play?  
I can see you and me  
Living our separate worlds.  
Are you for real  
Or is still something that I shouldn't know?

Applauding faces  
My heart grown traces  
And I'm in need to really understand.

There's something about you, girl,  
That makes you mysterious.  
I'm out of my head so what am I to do?  
I'm on to you!  
There's something about your touch  
That makes me delirious.  
It's hard to believe if all they say it's true.  
The Oscar goes to you!

Was too bad, from the start, you hiding emotions.  
I'm confused  
Cause you're almost too good to be true.

The stars are falling  
Cameras rolling  
It seems like you've been acting all the time!

Ohh  
There's something about you, girl,  
That makes you mysterious.  
I'm out of my head so what am I to do?  
I'm on to you!  
There's something about your touch  
That makes me delirious.  
It's hard to believe if all they say it's true.  
The Oscar goes to you!

There's something about you, girl,  
That makes you mysterious.

I'm out of my head so what am I to do?  
I'm on to you!  
There's something about your touch  
That makes me delirious.  
It's hard to believe if all they say it's true.  
The Oscar goes to you!

The Oscar goes to you!  
The Oscar goes to you!!!
