What I like is to take the highest road that never ends
To hold the moment right here in my hands
Yeah, that's what I like to feel alive

What I like is to know your body's lying next to mine
To see you smile without a reason why
Yeah, that's what I like, that's what I like

It's something that will never end
Soul to soul
Everything here is all under control
Eye to eye
Can you see it? Can you feel it what I like?

What I like is to take you on a journey 'round the sun
I wonder if you'd like to come along
Yeah, well may be tonight, yeah, may be tonight

It's something that will never end
Soul to soul
Everything here is all under control
Eye to eye
Can you see it? Can you feel it what I like?

It's something that will never end
And when it's right you'll understand

Soul to soul
Every thing here is all under control
Eye to eye
Let me show you all I've told you, yeah

Soul to soul
Everything here is all under control
Eye to eye
Can you see it? Can you feel it what I like?

What I like?
What I like?
What I like?
What I like?
