Something's Wrong, Doctor Please  
Got A Strange Heart Disease  
And I Desperately Need To Get Over  
This Temptation

There She Stands Day By Day  
And My Life Turns Away  
It Was Love At The First Sight  
And I Know  
This Won't Come Easy

Couldn't Move, I Was Petrified  
Couldn't Talk, When She Passed Me By  
Now She's Constantly Part  
In My Thoughts, In My Heart  
Can't Hold Another Day

All I Want Is You, You, You  
Nobody Else But You, You, You  
Come Rain And Shine  
It's All The Same  
Everytime I Call Your Name

Certain Things Meant To Last  
Some Others, Part Of The Past  
I Know That I Can't Be Wrong  
Lovin' You

So Gimme A Chance, A Little Sign.... And I Know  
That One Day You're Mine  
I Want You To Know  
No Way I Let Go  
Surrender To My Love

All I Want Is You, You, You  
Nobody Else But You, You, You  
Come Rain And Shine  
It's All Insane  
Everytime You Play That Game

All I Want Is You, You, You  
Nobody Else But You, You, You

Come Rain And Shine  
Its All The Same

All I Want Is You, You, You  
Nobody Else But You, You, You  
Come Rain And Shine  
It's All Insane  
Everytime You Play That Game
