With our eyes wide open we... (x2)

So this is the end of the story
Everything we had, everything we did
Is buried in dust
And this dust is all that's left of us
And only a few ever worried

While the signs were clear
They had no idea
You just get used to living in fear
Or give up
When you can't even picture your future

We walk the plank with our eyes wide open

We walk the plank with our eyes wide open we
(walk the plank with our eyes wide open we)
Yeah we walk the plank with our eyes wide open we
(walk the plank with our eyes wide open we)

Some people offered up answers (questions)
We made out like we heard

They were only words
They didn't add up
To a change in the way we were living
And the saddest thing
Is all of it could have been avoided

But it was like to stop consuming's to stop being human
And why'd I make a change if you won't?
We're all in the same boat
Staying afloat for the moment

We walk the plank with our eyes wide open
(walk the plank with our eyes wide open we)
And we walk the plank with our eyes wide open we
(walk the plank with our eyes wide open we)

With our eyes wide open we
We walk the plank, we walk the plank

So that is the end of the story
