"Somebody That I Used To Know"

Now and then I think of when we were together
Like when you said you felt so happy you could die
I told myself that you were right for me,
But felt so lonely in your company
But that was love and it's an ache I still remember

You can get addicted to a certain kind'a sadness
Like resignation to the end, always the end
So when we found that we could not make sense
Well you said that we would still be friends
But I'll admit that I was glad it was over

But you didn't have to cut me off
Make out like it never happened and that we were
nothing
I don't even need your love, but you treat me like a
stranger
And that feels so rough

No, you didn't have to stoop so low
Have your friends collect you records
And then change your number
Guess that I don't need that though
Now you're just somebody that I used to know

Now you're just somebody that I used to know
Now you're just somebody that I used to know

Now and then I think of all the times you screwed me
over
But had me believin it was always something that I'd
done

But I don't wanna' live that way,
reading into every word you say
You said that you could let it go,
and I wouldn't catch you hung up on somebody that
you used to know-oh-oh

but you didn't have cut me out
Make out like it never happened and that we were
nothing (oh)

I don't even need your love, but you treat me like a
stranger
and that feels so rough

(oh)

No, you didn't have to stoop so low
Have your friends collect you records
And then change your number (oh)
Guess that I don't need that though
Now you're just somebody that I used to know

somebody that I used to know
somebody (now your just somebody that I used to
know)
that I used to know
somebody that I used to know
somebody (somebody)
that I used to know

I used to know
That I used to know
I used to know
Somebody
