Flyin moth took what it could
Yer half naked
Moth did good
A rabbit jumps it
A sheep makes it
Horse hockey
Piggly wiggly
Go cat go
And I want you to
Crawl out of my bean bowl baby
Little bit after midnight
Dumb as rocks lie like a rug
Temp agency
Get you a job
Left tackle

Right guard
A lot of money
You don't have to work to hard
I want you to crawl out of my bean bowl baby
A little bit after midnight
Nurse ratchett got sompin to say
I want my cigarettes
Juicy fruit
Hey capin' mouf joe
He got sompin to say
Stay away
From the evil dope
