Bottle night 3 am  
Drying out in the den  
Good fellowship, we gonna get it together  
We gonna build and bitch  
Oh fella's i want you t' know  
I feel alright 'bout the new way  
Of grievin' and smokin'

A coward in the grass  
Burn me up in july  
Lookin' in t'august  
With my shirt on fire  
Oh well i want you all t'know  
I feel alright 'bout the new way  
Of grievin' and smokin'

All ye bugs and nitrates  
Whom gather round the roots  
Soak these minerals up  
Til yer rusty thru & thru  
Oh well i want ye bugs t'know  
I feel alright 'bout the new way  
Of grievin' and smokin'
