My name is jorge and I twist and I juke  
I roll into town with my wagon of fruit  
I roll into town with my wagon of fruit  
And I'll sell you an apple, I'll sell you an orange  
I'll sell you an apple, I'll sell you an orange  
And what you do with it ain't of my concerns  
And what you do with it ain't of my concerns

I once sold me an apple to William S. Burroughs  
He shot up his dope, his Wine sap, his girl  
And I sold me a lemon to Henry S. Ford  
But he brought it back, I said all sales are final  
And I sold me a plum to a man who makes pies  
Jack stuck in his thumb, oh what a suprise  
And I sold sugar can to Harvey Oswald  
And he didn't shoot Johnny but I think he's invovled  
Yeah I sold the cherries, I sold the pits  
Them girls gettin' married, them girls havin' kids  
And I want, and I woahed, for a melon that grewed  
So I fixed up the wagon to vend a new load

But I won't sell no flower, no that ain't my gig  
Bup Bup - Ba Do Dup - Bup Bup  
And I won't sell no cow, fish, fowl, or pig  
Bup Bup - Ba Do Dup - Bup Bup  
But I'll sell a bucket of peaches to Prine  
Bup Bup - Ba Do Dup - Bup Bup  
'Cept he's got his own trees so he ain't shakin' mine  
Bup Bup - Ba Do Dup - Bup Bup  
Once sold me a pear to Muhammed Ali  
But I called him Clay so he punched me out  
Now I'm punch drunk and my wagon kapoot  
Said my name is Jorge and I twist and I juke

Said my name is Jorge and I twist and I juke  
He'd roll into town with a wagon of fruit  
Said my name is Jorge and I twist and I juke  
He'd roll into town with a wagon of fruit  
Said my name is Jorge and I twist and I juke  
He'd roll into town with a wagon of fruit  
Said my name is Jorge and I twist and I juke

He'd roll into town with a wagon of fruit  
Yeah my name is Jorge and I twist and I juke
