Spent my whole paycheck
On the goddamn rent
And much more I can piss and moan about
Gonna piss and moan right outta here
Spent the whole damn day
In the goddamn house
Ain't much more I ramble on about
Ramble right on out here
Say you don't know
Where yer money goes
(lincoln, jackson, franklin)
I see yer (abraham, andrew, benjamin)
Wish I had me some of those
Spent my whole damn wad
On food and pot
Ain't much more that I have got
Gonna get it and get out of here
Yoda lay hee yodaoda lay hee yodaooo lay hee hee
hee
