[Male Vocal]:

We're machines, just like everything else in nature.

[Female Vocal:]

This is the first day of my life

For once I'm sure

That this is where I long to be

No need to know

If there is something more than this

No need to go

Cause there is nothing more than this

My future is so clear

Cause everything's right here

Inside of me

Inside of me

[Repeat entire lyric]

[Male Vocal]:

We can see in the world what we want to see.
