Mysterious, blown in with the night  
All this beauty captured in a frame  
Visibly shaken, but never stirred  
Drives them insane  
I see the way she plays her men  
And I know I've got to know her name

She's so beautifully broken  
Shaped by the wind  
Dangerously twisted  
Here I go again

I see the way she cast her spell  
It's like drowning in moonlight  
Discards them when she is done  
They're lost in her twilight  
I watch her move from star to star  
And I wonder why, why it feels so right

She's so beautifully broken  
You can barely see the flaw

Especially from a distance  
Which is always how I fall

Why do I fall for the dangerous ones  
The ones that never learned to let go  
And why do I lie to myself  
And pretend that I can break her  
When she's already been so  
Beautifully broken

Why do I fall for the dangerous ones  
The ones that don't know how to let go  
And why do I lie to myself  
And pretend that I could break her  
When she's already been so

Beautifully broken  
Shaped by the wind  
Dangerously twisted  
Here I go again, here I go again
