If I had possession over judgement day  
If I had possession over judgement day  
All these women Ive loved would have no right to pray  
I went up on the mountain, far as my eye can see  
I went up on the mountain, far as my eye can see  
Another man got my woman - lonesome blues got me  
Well I folded my arms, slowly walked away  
Well I folded my arms, slowly walked away  
In my mind, in my mind - gonna be trouble some day  
Well I rolled and I tumbled - cried the whole night long  
Well I rolled and I tumbled - cried the whole night long  
When I woke up this morning - my biscuit roller gone  
Well come on here mama - sit down on my knee  
Well come on here mama - sit down on my knee  
Im gonna tell you all about the way they treated me  
If I had possession over judgement day  
If I had possession over judgement day  
All these women Ive loved would have no right to pray
