you said you been hurt almost lost your mind
The man you love hurts you all the time
when things go wrong wrong with you
it hurts me to you love him more you
should love him less oh but you stick by him
and you take his mess things go wrong
wrong with you it hurts me to
i love you baby sho nuff i do but you love him
stick to him like glue things go wrong
wrong with you it hurts me to
go down to the freight yard oh an catch
myself a freight train oh leave this town
leave behind this pain things go wrong
wrong with you it hurts me to
