Lips that are as warm could be
Lips that speak too soon
Lips that tell a story
Sad and Deep as you

Smiles that's warm as summers sun
Smiles that gets you through
Smiles that tell a story
Sad and Deep as you

Eyes that are the windows
Eyes that are the view
Eyes that tell a story
Sad and Deep as you

Tears that are unspoken words
Tears that are the truth
Tears that tell a story
Sad and Deep as you
~Dave Mason

Eyes that are the windows
Eyes that are the dew
Eyes that tell a story
Sad and Deep as you

oh you, oh you oh you sad
uh huh

Smiles that's warm as summers sun
Smiles that gets ou through
Smiles that tell a story
Sad and Deep as you

as you oh you as you sad
as you as you uh huh

Lips that are as warm could be
Lips that speak too soon
