To lessen my troubles
And hanging out with relatives
And empty saviors like you
I wish I had a nickel for every miracle
That you easily tricked me into

You can lead a horse to water
But the faith is another matter
So don't, don't you surrender, no, no
'Cause sometimes salvation
In the eye of the storm

Sister, won't you
Won't you try to find me?

Well, I've got no time for accusations
Or conversations on all the bad, bad things you do
Oh, just a [incomprehensible] from your jailor
And the drugs and the relations
[Incomprehensible]

You can lead a horse to water
Yeah but faith is another matter, yeah
But don't you, don't you, don't you surrender
'Cause sometimes salvation
In the eye of the storm

Sister, won't you try to find me?

I've kept secret all your [incomprehensible]
And superstitions
And your, your twisted wisdom and I
That I fell into, yeah

You can lead a horse to the water
Yes, but the faith is another matter
Well, but don't you surrender, no, no
'Cause sometimes, sometimes salvation, salvation

Sister won't you wanna try and find me?
Sister won't you wanna try?
Sister won't you wanna try, try to find me?

Hey, sister won't you wanna try and find me?
