Hey, don't you want to go down with me  
I wont tell, I wont tell a soul  
Me, Ive got all that anyone could need  
Hey, don't you want to take a ride with me  
I don't need, I don't need no gun  
Drink up now, it's time to be moving along  
Got to move along  
Victim of loneliness - bastard child  
Left alone in this wilderness  
Hey, you think everythings funny  
But I wont crack, I wont crack a smile  
Screamer, scream on - aint nobody gonna hear you  
anyway  
Nobody gonna hear you  
Victim of loneliness - another bastard child  
Left alone in this wilderness  
Is it all a dream  
Is it all a dream  
Is it all a dream  
Oh yeah  
Victim of loneliness - another bastard child  
Left alone in this wilderness  
World gone wild  
World gone wild
