Listening to you, I get the music
Gazing at you, I get the heat
Following you, I see the mountains
I get excitement at your feet

Right behind you, I see the millions
On you, I see the glory
From you, I get opinions
From you, I get the story

Listening to you, I get the music
Gazing at you, I get the heat
Following you I climb the mountains
I get excitement at your feet

Right behind you, I see the millions
On you, I see the glory
From you, I get opinions
From you, I get the story

Listening to you, I get the music
Gazing at you, I get the heat
Following you, I climb the mountains
I get excitement at your feet

Right behind you, I see the millions
On you, I see the glory
From you, I get opinions
From you, I get the story

Listening to you
