So, you wanna jump out your trick bag  
Ease on into a hip bag  
Ain't just exactly sure, now what is hip

Started to let your hair grow  
Spent bucks to get your wardrobe  
Somehow, you know there's much more to the trip

What is hip? Tell me, tell me, if you think you know  
What is hip? If you're really hip, the passing years will  
show  
Into a hip trip, maybe hipper than hip  
But what is hip?

You became a part of a new breed  
Smokin' only the best weed  
Hangin' out from the so called hippie set

And seen in all the right places  
Seen with just the right faces  
You should be satisfied but it ain't quite right

What is hip? Tell me, tell me, if you think you know  
What is hip? If you're really hip, the passing years will  
show  
Into a hip trip, maybe hipper than hip  
But what is hip? Ohh, yeah

Hipness is, what it is  
Hipness is, what it is  
Hipness is, what it is  
Sometimes hipness is, what it ain't

So, you went and found you a guru  
In an effort to find you a new you  
Maybe even manage to raise your conscious level

While you're striving to find the right road  
There's one thing you should know  
What's hip today, might become passe'

What is hip? Tell me, tell me, if you think you know  
What is hip? If you're really hip, the passing years will  
show  
Into a hip trip, maybe hipper than hip  
But what is hip?

What is hip? Tell me, tell me, if you think you know  
What is hip? If you're really hip, the passing years will  
show
