

Gov't Mule Feat. Toots Hibbert "Hard To Handle"

Visit "[Hard To Handle](#)" on MotoLyrics.com

Hey, babe, here I am
I'm the man on the scene
I can give you what you want
But you got to go home with me

I have got some good ol' lovin'
And I got some more in store
When I get through throwin' it on you
You got to come back for more

Boys they comin' down by the dozen
That ain't nothing but ten cent lovin'
Hey little thing let me light your candle
'Cause mama I'm sure hard to handle
Now, you surrender

Action speaks louder than words
And I'm a man of great experience
I know you've got you another man
But I can love you better than him

Take my hand don't be afraid
I'm wanna prove every word I say
I advertise my love for free
So, wanna place your ad with me

Boys come along a dime by the dozen
That ain't nothing but ten cent lovin'
Hey little thing let me light your candle
'Cause mama I'm sure hard to handle
Now, you surrender

Baby, here I am
I'm a man on the scene
You got to come home with me, now

I have got some good ol' lovin'
And I got some more in store
When I get through throwin' it on you
You got to come back for more

Boys they comin' down by the dozen

That ain't nothing but ten cent lovin'
Pretty little thing let me light your candle
'Cause mama I'm sure hard to handle
Now, you surrender

Oh no babe
They're comin, hey

Give it to me, I got to have it
Give it to me
Good ol' lovin', I got it have it
Give it to me, give it to me

Give it to me, I got to have it
Give it to me, I said
Give it to me, I got to have it
Give it to me

Hard to handle, hard to handle
Hard to handle, hard to handle
Hard to handle, hard to handle
Hard to handle, hard to handle

Give it to me, give it to me
I got to have it, give it to me
Good ol' lovin', I got it have it
Give it to me, give it to me, hey

Hard to handle, I got to have it
Give it to me, give it to me
Give it to me, give it to me

Hard to handle, hard to handle
Hard to handle, hard to handle
Hard to handle, hard to handle
Hard to handle, hard to handle
Hard to handle, hard to handle
