You see my hands are steady
You've seen my face before
Soon you can take your last look
And they'll close the door
I stand accused before you
I have no tears to cry
And you will never break me
Till the day I die
(chorus)
A criminal mind
Is all I've ever known
They tried to reform me
But I'm made of cold stone
A criminal mind
Is all I've ever had
Ask one who's known me
If I'm really so bad...
I AM
I've spent my life behind these steel bars
I've paid my debt in time
But being brought to justice
That was my only crime
I don't regret a single action
I'd do the same again
These prison walls secure me
And I'm numb to pain
Repeat chorus
Before you hand me over
Before you read my sentence
I'd like to say a few words
Here in my own defense...
Some people struggle daily
They struggle with their conscience
Till the end
I have no guilt to haunt me
I feel no wrong intent
Repeat chorus
I'm made of cold stone
Just like your prison walls
A criminal mind
I AM
