Chorus:

I've got my business,  
But sometimes is hard to handle this crazy life  
Plus all these haters got me switching and the haters  
try to handle  
Try to handle this crazy life

I'm riding on my own now  
Got car and a crib, now  
Got... don' stop, no  
A lot of pressure to keep it all together!  
Got rumors of a lay off  
I told the bill to let the hold off...  
Another unexpected expense, it just don't make sense.

Chorus:

I've got my business,  
But sometimes is hard to handle this crazy life  
Plus all these haters got me switching and the haters  
try to handle  
Try to handle this crazy life

I'm hustling every way I can,  
Got me working over time again  
Can't afford to take the day off  
I need the money, recession got me hungry.  
Try to make some extra cash this week  
Cause my bank accounts looking weak  
It's getting hard to stand up on my feet  
I'm just trying to maintain, and this don't make sense!

Chorus:

I've got my business,  
But sometimes is hard to handle this crazy life  
Plus all these haters got me switching and the haters  
try to handle  
Try to handle this crazy life

Oh, yeah, yeah and it's crazy!  
I swear it's crazy!  
I can't walk to the mall,

Can't walk to the mall!  
Can't talk to my cell phone at all, oh no!  
Ain't that crazy, ain't that crazy!  
I can't do what I want to do  
I can't do! Can't do what I want to do!  
I can't be with you, darling!  
Ain't that crazy! That' crazy!

Chorus:

I've got my business,  
But sometimes is hard to handle this crazy life  
Plus all these haters got me switching and the haters  
try to handle  
Try to handle this crazy life  
Oh, I'm getting tired, I'm getting tired!  
Life is getting the best of me, I swear it's kicking my  
ass,  
But I will handle this crazy, crazy life!
