(Lawrence Gowan)

A scorpion skims across the desert  
Warm winds are stirring up your soul  
It's giving your eyes that tempting flicker  
Just the kind that makes me lose control  
Fire it up, Fire it up, girl  
Fire it up, Fire it up, now  
Make it pay  
See the zombies drifting in the city  
I don't get much action from that crew  
But the scorpion skims across the desert  
Ain't it plain to see she ain't no fool  
Fire it up, Fire it up, girl  
Fire it up, Fire it up, now  
Make it burn hard  
There ain't no tomorrow (no tomorrow)  
Burn hard  
No time to borrow (time to borrow)  
You gotta make it pay

Lawdy-Mama live it all today  
Fire it up, Fire it up, girl  
Fire it up, Fire it up, now  
Fire it up - Make it pay  
Before the time has passed you by  
You got to let me touch your magic flame  
Eventually you know you're gonna die  
Come on, Come on, you got to burn it till the end (burn  
it till the end)  
Fire it up, Fire it up, girl  
Fire it up, Fire it up, now  
C'mon fire it up, fire it up, girl  
Fire it up, Fire it up, now  
C'mon fire it up, fire it up, now  
Fire it up, child  
C'mon fire it up, fire it up, girl  
Fire it up
