(Lawrence Gowan)

There you sit  
Staring at the dead screen  
And it's sad  
Life ain't like your daydream  
Every rat, gets an easy pigeon  
Every snake, somehow works a way in  
It's hard enough to sleep at night  
Darlin' so you've been kicked inside  
You're not the first one  
Missing a pound of pride  
You'll see worse than me  
In your day  
Sooner or later  
Everyone's heard to say that all in all  
It's a great dirty world  
Never safe  
You're at the disadvantage  
Then you start  
To hear the subtle message:  
Play along - in time they're going to reach you  
Play it down - eventually they beat you  
It's hard enough to sleep at night  
Darlin' so you've been kicked inside  
You're not the first one  
Missing a pound of pride  
You'll see worse than me  
In your day  
Sooner or later  
Everyone's heard to say that all in all  
It's a great dirty world  
Everyone's cut by this knife  
Don't expect nothing from life  
But everything we've got to give  
Give it all  
Give it all  
Give it all  
It's hard enough to sleep at night  
Darlin' so you've been kicked inside  
You're not the first one  
Missing a pound of pride  
You'll see worse than me
