

Gowan "Walking On Air"

Visit "[Walking On Air](#)" on [MotoLyrics.com](https://www.motolyrics.com)

You've got more than it takes
To go the distance
You've got invincible powers
Of earth resistance
I'm the curious type
Always right where you least expected
In a world of my own
I'm undetected
(chorus)
Moving under night light
I see you
Dancing in the twilight
I near you
I'm walking on air

Beside you
Could come at any time
Under any weather
On and on I seek
The endless pleasure
No, don't be surprised
I may be disguised you know
And I think it's time you learned
I'm not so slow
repeat chorus
