Well they say that i sould approach you with caution,  
but not to let you be aware of my fear,  
Never know what you'll find,  
Dont understand your kind, 'round here  
Watchin' your movies they look so radical  
Hearing your words they sound fanatical  
Something inside me feels your magical  
uh whoa  
i cannot get enough

(Chorus)  
You're a strange animal,  
That's what i know  
But, You're a strange animal  
I've got to follow  
whoa

They've been tryin' to stick i light in your system  
analizing the defences you hold  
tryin to open wide  
hopin to step inside, your soul

well everything her is unfamiliar  
Nothing we've seen remotly similar  
How can it be so peculiar  
oh yo  
I cannot get enough

(Chorus)

Whoaaaaaaa

I've got to follow  
I got to follow

Whoaaaaaaaaa  
Whoaaaaaaa

I cannot get enough

Your a strnage animal  
Thats what i know

But your a strange animal  
I got to follow

womanus speedeetus

oh, Your a strange animal  
That's what i know  
but, your a strange animal  
I got to follow

You're a strange animal  
That's what i know  
But, your a strange animal  
i got to follow

oh, womanus speedeetus

oh, your a strange animal  
thats what i know  
but, your a strange animal  
i got to follow

whoa.....(fades out)
