DISCO NIGHTS (ROCK FREAK)

G.Q.

Let the spirit flow all through your body

Just lend us an ear

Involve yourself

You're free to follow

And we'll take you there

You said you want to reach the sky

So get up

The feeling's right

And the music's tight

On the disco nights

Just say you will

Just do what you feel

I'm for real

The music's full of joy and laughter

And it's such a thrill

To free your mind from all the pressure

Head on up the hill

(repeat chorus)
