(I do-ooo love you Oh, but it's alright, alright, Oh)

Woah! I love you so right now
My, my, baby hey-ey yeah
Little darlin' I said I love you so right now
Never, never gonna let, gonna let, gonna let
You go, no, no, no

Pretty little baby I say
I want you t'try to understand
That I, I want to be...
Your lovin' man, babe

My baby I love you so-o-o
And I don't want you to go, no, no
Why don't you listen to me, yeah
I'm beggin you on bented knees

Oh, my girl
I pray that your love
It would come to me, someday
Because I love you so bad
Girl, it's about to drive me mad, girl I say

I love you so right now
Pretty baby, pretty baby
I love you so right now

Oh, baby, I love you so-o-o
And I don't want you to go, no, no, no, no, no, no, no
Why, why don't you listen to me
I'm beggin' you on bented knees

Oh-Oh...

(Instrumental)

Oh! I, I, I... I

It's just an oldie but goodie

Like the good ol' days

When the ladies treat you so, so good

Remembering the things

We use to do

The places we use to go

And ev'rything was so, so mello-o-o-o...

Oh, Oh-o-o

I love you so right now

I love you so right now

I love you so right now

I love you so right now

I love you so...
