(G. Thomas)  
Pad the walls.  
Lock the door.  
I don't wanna hear it when her -  
her passion calls  
I won't...  
hear it. I won't...  
hear it, hear it, hear it!  
No, no, no, but I lie.  
Draw the blinds.  
Seal the gates!  
I feel she's comin'  
and I feel that it's too late.  
But I won't...  
hear it. I won't...  
hear it, hear it, hear it!  
No, no, no, but I lie.  
Oh, she knows that I would crawl  
I'd go tearin' down the walls  
when I...  
hear it -  
Her passion call.  
Yeah, her passion calls all night.

Ah, you know, you know she says,  
"I feel the same way...  
about you"  
(And the big head speaketh:)  
"Will you run for cover?  
Or head for the hills?  
Or be a willing victim to  
her 1001 thrills?"  
"Are you fool enough to think  
she won't find you?  
Hell, she's knockin' at your door  
what will you....  
what will, what will you do?"  
"Oh, it's such a sweet, sweet kill  
as she swallows whole your will  
when you...  
hear it -  
Her passion call."
