(G. Thomas)
I rest my head
upon your chest...
I can feel your heartbeat
Brush my lips
across your neck...
Tell me that you want me
I want to breath you in
to the fiber of my lungs -
paint your name
on the lining of my heart
One small sip
of the moisture on your lip
and I will never thirst again
I want to breathe you in...
I want to breathe you in...
I want to hear you...
scream
I want to see you...
sweat
I want to feel you tremble
I want to make you wet
Let's get wet...
together
Let's get wet...
forever
Mmm, honey, let's go wild
Oh, child
Let's get wet...
I've tasted love before

but never so delicious
I wake up wanting more
My need for you is vicious
Soon we'll be apart
but never to forget
the animal gone wild
the animal so wet...
Repeat above (less 1st verse & bridge)
Your pheromones drive me crazy
Girl, get over here
Give me just a whiff -

ah, there - behind your ear
Let me breathe you in
I'm not finished yet
Drain me 'til I'm dry -
as dry as you are wet...
I want to breath you in...
let's get wet...
paint your name...
I can feel you heartbeat
I want to breath you in...
let's get wet...
paint your name...
Whisper that you want me
