Everybody thinks I'm crazy
'Cause you never even look my way
But if I play this right then maybe
I'm gonna make you mine someday

I'm like ooh, ooh
You're the only one
Ooh ooh
And I'm a mess because

I've been tryin' to find the
perfect thing to say
I always mess it up
my words get in the way
Doesn't seem to matter
what I'm tryn' to do

I'm caught up
I'm caught up
I'm caught up in you
(x2)

This is such a big minute
It's takin' up my energy
Can't make sure
My head is spinning
And sometimes I forget to breathe

I'm like ooh, ooh
You're the only one
Ooh ooh
And I've been dreamin' of

I've been tryin' to find the
perfect thing to say
I always mess it up
my words get in the way
Doesn't seem to matter
what I'm tryn' to do

I'm caught up
I'm caught up

I'm caught up in you

I'm getting tangled in thoughts
that I just can't escape
Hopin' that you're gonna
be my Saving Grace
Doesn't seem to matter
what I'm tryin' to do

I'm caught up
I'm caught up
I'm caught up in you
(x2)

(I'm caught up in you)

I'm shinin' the lights
Guildin' your way to me
Only if you just turn around

The rest of our lives
are just beginning
Only if we can start it now

I've been tryin' to find the
perfect thing to say
I always mess it up
my words get in the way
Doesn't seem to matter
what I'm tryn' to do

I'm caught up
I'm caught up
I'm caught up in you

(I'm caught up in you)

I'm getting tangled in thoughts
that I just can't escape
Hopin' that you're gonna
be my Saving Grace
Doesn't seem to matter
what I'm tryin' to do

I'm caught up
I'm caught up
I'm caught up in you
(x4)

What do I do?
What do I do?

I'm caught up
I'm caught up
I'm caught up in you
