You're really up yourself when you shouldn't be.no.
You used to be my friend but now your Gangster too.
The label said so ganster and you said that sounds like
me.
Now its all whatever I don't care what people think.

chorus:

You don't have to change.
Just stay the same.
You don't have to be somebody else.
When its not you.
Your friends will still like you.
For you.

But if you want to waste you life than thats o.k.
Just don't come crying to me on your sad days.
Cause I know their tricking you.
But you won't listen to me cause I'm not cool too.

chorus:

You don't have to change.
Just stay the same.
You don't have to be somebody else.
When its not you.
Your friends will still like you.
For you.
But do what you want with your life.
But be wise.
You don't get to live it twice.
You don't get to live it twice.

chorus:

You don't have to change.
Just stay the same.
You don't have to be somebody else.
When its not you.
Your friends will still like you.
For you.

You don't have to change.
Just stay the same.
You don't have to be somebody else.

When its not you.
Your friends will still like you.
For you.

But your gonna change arn't you.
