I'm gonna keep it ghetto
I'm gonna keep it fly
I'm gonna make this happen
I'm gonna touch the sky

Doesn't matter whatcha say
This is my life (oooh)
Nobody's gonna stop me
You kno I'm gonna shine (woahh)

[chorus]
rock it (don't stop it)
I'll pop it (the way you like it)
I'll roll it (if you can control me babe)
(repeat)

Now I got you hott and sweaty
You've lost the words to say
I can tell you want me so..
I'm gonna rock it for you babe

You have looked and you got tired
You just gotta talk to me
Now I'm gonna shake it for you
And let's see how it's gonna be

[chorus]

[bridge]

You haven't seen notin' yet
I've got some things to do

So if your gonna show me love
I'll stay just for you (whoah)

rock it
pop it
rock it
pop it
rock it

And don't stop it baby (whoah)
