It's a New Day  
Have it your way  
Rejoice and say, it's okay  
I will stand strong and face my day  
Just like a bright sunray, come what may  
It's a wonderful place, will you stay?

I don't know if we'll be here tomorrow  
I do know i am here right now  
Come join me and we'll have a go at callin' in a  
prophecy

This is your day  
No more delay  
Own what you say, it's okay  
I got all i need right here to keep me satisfied  
Step inside  
You're free to come in anyway

Chorus:  
I don't know if we'll be here tomorrow  
I do know i am here right now  
Come join me and we'll have a go at colling' in  
prophecy  
Cruz' anything could happen here right now  
I dare you step out and try it  
Come join me and we'll have go at callin' in our destiny

Excuse me do you, do you have the time  
To refresh your mind in the wading pool of "Now"

It's a New Day, do it your way  
Rejoice and say, its okay  
I got all i need right here to keep me satisfied  
Step inside  
You're free to come in anyway,  
Oh i've got to say  
You're free to come in anyway  
Hear me when i say

Chorus

Excuse me do you, do you have the time  
To refresh your mind in the wading pool of "Now"
