Give you time,
to burn yourself out.
What's it like,
inside your glasshouse?
People see in,
but you can't see out.
Throwing stones.

Give you rope,
to hang yourself by.
No, you don't,
you not getting off live.
People seem cold,
but you can see wide.
Throwing stones.

I can see you, when you wake up in the night.
I can see you, when you scream, when you fight.
I can see you, watch TV at ten o'clock in the morning,
but you don't see me, you don't see.
yourself wake up in the night.
Why don't you see?
By deep in dreams are real lifes.
See yourself,
watch TV at ten o'clock in the morning,
but you don't see it, you don't see.

Must be wonderful,
must be wonderful.
To just see what you want,
must be wonderful.

Must be wonderful,
must be wonderful.
To just see what you want,
must be wonderful.

Give you space,
to waste your whole life.
Keep it save,
you're not going outside.
Your weak ynd your appeal,

but you never get tired.
Throwing stones.

I can see you, when you wake up in the night.
I can see you, when you scream, when you fight.
I can see you, watch TV at ten o'clock in the morning,
but you don't see me, you don't see.
yourself wake up in the night.
Why don't you see?
By deep in dreams are real lifes.
See yourself,
watch TV at ten o'clock in the morning,
but you don't see it, you don't see.

Must be wonderful,
must be wonderful.
To just see what you want,
must be wonderful.

Must be wonderful,
must be wonderful.
To just see what you want,
must be wonderful.

Must be wonderful,
must be wonderful.
To just see what you want,
must be.
