Walking down the street - kicking cans
Looking at the Billboard - oh so bland
Summing up the people - checking out the race
Doing what I'm doing - feeling out of place.

Walking
walking - in the rain.

Feeling like a woman - looking like a man

Sounding like a "no-no" - making what I can.
Singing in the darkness - shining in the night

The coming conclusion - right isn't right.

Walking
walking - in the rain.

Come in all you jesters! - Enter all you fools.
Sit down "no-no" - old girl fools.
Trip the light fantastic - dance the spiral hips

Coming conclusion - gotten off your lips.

Walking
walking - in the rain.
Walking
walking - in the rain.
