At the blue cafe  
At the blue cafe  
At the blue cafe  
At the blue cafe

The phone started ringin'  
At a quarter to nine  
I got a lump in my throat  
And a chill up my spine  
I swear I didn't know if those keys  
On the counter where mine  
Operator said I got a call collect  
From San Deigo County  
And I started to sweat  
Voice came on the line and said  
"Babe, I hope you didn't forget"

I'm at the Blue Cafe  
Rockin' my life away  
Come down and catch me if you can  
Down at the Blue Cafe  
Troubles are miles away  
And I'm coming down babe yes I am

Hopped In my car  
And said "Man alive"  
There was not a soul movin'  
On the 405  
I thought to myself  
Hey, I need to make a change of plans  
I got the call-waiting  
It was just my luck  
And I tried you back again  
But you didn't pick up  
And it left me with a burnin' question  
In the back of mind

Will I make it to the Blue Cafe  
Rock my life away  
I got to catch you if I can  
Down at the Blue Cafe

Troubles are miles away  
Am I am comin' down, baby yes I am

Comin' down the road in a Mercury  
Steel goes 95 with three-in-the-tree  
I saw the blue lights from the sign  
on the car up ahead  
Comin' through the door  
Man I just wasn't thinkin'  
I said where is that chick  
I was with all night drinkin'  
They said, "Man she's gone  
She just left in that old Hot Rod Lincoln"

I'm at the Blue Cafe  
Rockin' my life away  
Come down and catch me if you can  
Down at the Blue Cafe  
Troubles are miles away  
And I'm coming down babe yes I am

Will I make it to the Blue Cafe  
Rock my life away  
I got to catch you if I can  
Down at the Blue Cafe  
Troubles are miles away  
Am I am comin' down, baby yes I am

At the blue cafe  
At the blue cafe  
At the blue cafe  
At the blue cafe
