When the last light dies down on this old part of town
And the sun coming up laughs at you
When the sidewalks roll up
You've run out of luck
And you're left alone feeling blue

I don't gotta tell you the feeling you get
When the one you love slips away
So turn down the lights and draw all the shades
There's one place where you've got it made

In Dreamsville I'm dreaming of you
In Dreamsville my dreams can come true

I'm tossing and turning
I can't sleep a wink
With you always there on my mind
It's such a distraction
I can't even think
I wish you would leave so I find

Dreamsville I'm dreaming of you
In Dreamsville my dreams can come true

I'm tossing and turning
I can't sleep a wink
With you always there on my mind
It's such a distraction
I can't even think
I wish you would leave till I find

Dreamsville I'm dreaming of you
In Dreamsville my dreams can come true
In Dreamsville I'm dreaming of you
In Dreamsville my dreams can come true
