"Hell bent"

Damn I live in the dead of night
On four wheels of rolling dynamite
Runnin' red hot on a midnight curve
Catch me now if you got the nerve

Hell bent I ride
Angel by my side
Blow devil wind
'Cause I won't be back again
No I won't be back again

Fire ball flames in the X-ray heat
Ninety-nine down a dead end street
Tattooed knuckles gonna spell his fate
One said "love" and the other "hate"

Hell bent I ride
Angel by my side
Blow devil wind
'Cause I won't be back again
No I won't be back again

Hard luck rider on a one way trip
Cut so deep watch his own blood drip
Big black train barrels down the track
Too late now I ain't going back

Hell bent I ride
Angel by my side
Blow devil wind
'Cause I won't be back again
No I won't be back again
